SCHOOL UNIFORM INFORMATION 2025

Until 19th July – Walk- In Customers Welcome

21st July – 16th Aug – Open for Appointments

18th Aug Onwards – Walk-In Customers **ONLY (NO APPOINTMENTS REQUIRED)**

In-Store Fitting Appointment Service:

Please book your appointment by visiting our website www.schoolbellsuniforms.co.uk and clicking on “Book an Appointment”. After selecting the service required scroll down and choose “**ASHFORD**” store to ensure you have the correct location. We highly recommend new starters to use this service between the allocated dates to ensure your uniform ready for start of the new term. This will also help us serve you better and manage our stock.

Online Orders:

This service is recommended for parents who know their child’s size. **Please place your order latest by 20th August to ensure you receive your uniform before the school starts.** We cannot guarantee any orders placed after this date due to stock availability or any delay/disruption caused by the courier companies.

Walk-In Customers:

Our store is extremely busy during the last two weeks before school starts and there is always the possibility of running out of stock on some popular sizes. Therefore, please visit our store early to avoid this situation and long waiting times due to queues. We recommend all customers to visit our store to purchase their child’s uniform before leaving for holidays.

Extended Exchange & Returns:

Buy early without worrying your child having a sudden growth spurt. We will exchange and refund unworn items, still in their original condition purchased within 90 days. Please retain your receipt for exchange and returns and we will happily exchange the uniform (subject to stock availability).

If you would like to speak to one of our team members, please call us on 01784 557 046 or alternatively email us on info@schoolbellsuniforms.co.uk and we will get in touch soon.
