

Year Five Optional Home Learning: Autumn 1

OPTIONAL HOME LEARNING: The home learning tasks set out in the grid below are **OPTIONAL**. They are drawn from the topics and areas of study each half term. These tasks are designed to support and extend learning in these areas.

Please send any home learning that has been completed into school. With the practical tasks, if you would like to add a photo or a few sentences in your Home Learning Book to let us know how you found these tasks, please do. Alternatively, you may like to bring the activity/task into school to show your teacher and class. Other tasks can be completed in your Home Learning Book. You can complete these any time within the half term if you wish to do them!

(Tasks completed in the books will be looked at by your teacher on a Monday when the Home Learning books are due to be in school. Your Home Learning Books will be returned to you every Wednesday.)

<u>Science</u>	<u>English</u>	<u>History</u>
<p>In our first half term, we will be learning all about Space. Can you come up with your own mnemonic to help you remember the order of the planets?</p> <p>You could decorate your mnemonic with pictures to make your work eye-catching!</p>	<p>Write a story about a world without any gravity. What would be good or bad about it? Why isn't there any gravity?</p> 	<p>Talk to a family member or a family friend about their favourite historical figure.</p> <p>What are your thoughts on the person you discussed after your conversation?</p>
<u>Art</u>	<u>Compulsory RE</u>	<u>PSHE/Growth Mindset</u>
<p>Research some artwork created during the Space Race. Recreate your favourite piece using any resources you wish.</p> <p>Alternatively, create your own piece of space art!</p>	<p>Research about your new class saint – St Margaret or St Theresa.</p> <p>Create a poster with key facts about your class saint. You may wish to include prayers and pictures.</p>	 <p>Create your own growth mindset poster.</p>
