

Year Six Optional Home Learning: Autumn 1

OPTIONAL HOME LEARNING: The home learning tasks set out in the grid below are **OPTIONAL**. They are drawn from the topics and areas of study each half term. These tasks are designed to support and extend learning in these areas.

Please send any home learning that has been completed into school. With the practical tasks, if you would like to add a photo or a few sentences in your Home Learning Book to let us know how you found these tasks, please do. Alternatively, you may like to bring the activity/task into school to show your teacher and class. Other tasks can be completed in your Home Learning Book. You can complete these any time within the half term if you wish to do them!

(Tasks completed in the books will be looked at by your teacher on a Monday when the Home Learning books are due to be in school. Your Home Learning Books will be returned to you every Wednesday. Bring your Home Learning Book in EVERY Monday, even if you have not completed any optional home learning.)

<p style="text-align: center;"><u>Science</u></p> <p>Research one of the following biomes and the different animal and plant species that live there.</p> <p style="text-align: center;">Tropical Rainforest African Savannah Arctic Tundra</p> <p>Produce a non-fiction explanation text about the wildlife of your chosen biome.</p>	<p style="text-align: center;"><u>PSHE</u></p> <p>Choose three personal targets for yourself in Year 6.
