

# Autumn 1 – Creation and Covenant – Year 3

## 01 Background information

In the Bible's Creation story from Genesis, God made the world in six days. On the sixth day, He created humans, making them in His image and likeness. This means we are special and have a duty to care for the earth and all living things, acting as stewards of God's creation. Being stewards means we look after the world and keep it beautiful for everyone.
