Dear Parents/Carers,

At St Ignatius, we aim to provide a wide range of enrichment activities for our children to enjoy. To book your place on the majority of after school activities, you will need to make payment online via MyChildatSchool.

Due to the high demand for places, all paid activities will be made available on MyChildatSchool on **Monday 13th July 2026 from 4pm** to ensure everyone has the fairest chance possible of securing a place.

Please ensure you have selected the correct activity, your child is able to attend and your child wants to participate in the activity, as we are unable to issue any refunds. If payment is accepted, then your child has a place in the after school activity. Places will be given on a first come, first served basis.

There are a small number of spaces reserved for families eligible for Pupil Premium who might struggle to meet the payment. If you are eligible and feel you cannot meet the payment in full but would like your child to join the activity contact the school via pupilpremium@st-ignatius.surrey.sch.uk INSTEAD of booking a space on MyChildatSchool.

The majority of activities will begin on the week beginning **Monday 14th September 2026** and the final sessions will be on the week beginning **Monday 7th December 2026**. However, there will be no classes during the half-term week (beginning **Thursday 22nd October 2026**). There may also be some individual dates when an activity is not taking place. Please make sure to check the dates of each activity carefully.

Some of our after school activities are run by external providers with places and payments for these activities organised by the provider. Please use the booking link provided in the time table to book.

Please could you collect your child promptly from outside the school office at the end of the activity. Just a reminder, you will not be able to drive into the school car park when collecting your child from after school activities.

Please note that children go straight from class to their club
