Lent Walk

Dear Parents / Carers,

Hooray! The sun is finally coming out and I don't know about you but it certainly makes you feel better.

This week, we have continued to build on the very successful implementation of Family Fine Dining across St Ignatius. We have already seen a difference in lunch time being calmer and less food waste. Everyone is truly working as a team and this is a fantastic skill for children to learn. Each week there is a focus for conversations during pupils time at lunch. Our focus this week was on attendance and next week's is about St Francis of Assisi and how we can care for our world.

In the coming weeks, we will be opening a special area for Year 6 pupils just outside of the hall. This will compromise of benches, sun parasols and an opportunity for the Year 6 children to have some time together in an environment that won't be dissimilar to what they will experience when they move onto secondary school.

I am also looking into the creation of a small café area that could be led and run by the Year 6 children, again in preparation for that leadership.

I am enclosing a link that Mrs Barkworth sent around to staff this week which shares the importance of using a knife and fork correctly. Thank you for your support with this endeavour.

### [How to use a knife and fork](#)

This week, Mrs Whittington and I have observed writing lessons across the school. The children are working very hard and their knowledge of grammatical terms has been excellent. As always, we reflect, develop and continuously strive for further excellence in learning, teaching and pupil outcomes.

A huge thank you for your support to raise the roof on our attendance levels and ensuring your child is in school as near to 8:30 am as possible. Mrs O'Neill and myself are visiting classrooms every morning to count numbers and we have been astonished at the improvements across the school. In most classes, by 8:40 am every child is reading a book and has started their learning for the day.

For your child to see how you support and speak positively about the school means so much and I can honestly say it makes a huge difference to the success not only of the school but for your child. Thank you very much.

This week, the classes have taken part in their Lent Walk and I have seen so many smiling faces passing me by on their return. We have been blown away by the amount of money that has been donated to one of the three charities selected.

As we end the week with our Celebration Assembly (one of my favourite parts of the week) so many awards have been given out under such as; Opal Playtime Awards, Family Fine Dining Awards, Maths Awards Attendance and birthdays. This week, the choir also sang songs that they have been learning and performed them beautifully to the school.

The Celebration Assembly is purposefully put in the calendar for Friday afternoons so that the children leave their week at school on a positive high and that reiteration of how wonderful and special they are.

I hope that you have a lovely weekend and that the sun continues to shine.

God bless,

**Ms Murphy - Headteacher**

## Attendance

This week's **highest attendance** was **5B (99.7%)** and **1G and 6N (99.3%)**. Our school target is now 98%.

The classes that have **most improved** in terms of number of pupils in classes before 8.45 am are **3BF** and **5W**.

A huge thank you to all parents for a real push on attendance this week and for ensuring your child is in school for as close to 8.30 am as possible.

These five classes will be receiving a reward on Monday.

**Ms Murphy - Headteacher**

# Car Parking

It has been brought to my attention by a local resident, who lives in a private road nearby our school, that some of our parents are parking there during drop off and pick up times. They have also cited that there have been times where they have been blocked in their own driveways.

Please can I urge that no parent from St Ignatius park irresponsibly. Behaviour such as this sends a message about our school which goes against our school values.

Thank you for your support in this matter.

**Ms Murphy - Headteacher**

# Book Swap Bookcase

We are delighted to introduce our brand new **Book Swap Bookcase**, now located outside the main office near the noticeboard.

The Book Swap is a simple and exciting way to encourage reading for pleasure across our school. Here's how it works:

- Children can donate **preloved books in good condition**.
- Books should be placed **neatly on the shelves** of the bookcase.
- In return, children are welcome to **choose a book that is already in the bookcase** to take home and enjoy.

It's a wonderful way to give books a new home, discover different stories and authors, and help foster a lifelong love of reading.

We kindly ask for your support in helping us keep the Book Swap tidy and well organised. Please ensure that any donated books are age-appropriate for primary school children and in good, clean condition. Encouraging your child to place books carefully on the shelves will help us maintain this lovely shared space for everyone.

A **HUGE thank you** to **Mr and Mrs Morris** for creating and installing our fantastic Book Swap Bookcase. We are so grateful for your time and generosity in supporting reading within our school community!

Happy reading!

**Miss Brown - Year 5 Class Teacher and KS2 Reading Lead**

**Miss Grady - Year 1 Class Teacher and PE Lead**

# Years 5 & 6 Girls Netball Tournament

Our Years 5 & 6 Girls Netball Team took a trip to Buckland Primary School for a friendly netball tournament vs 5 other schools. The girls played some excellent, free flowing netball, winning 5 out of 7 matches! Scoring 13 and conceding 8 along the way.

Our player of the tournament went to **Renae S (6S)**, who earned herself a special medal and the girls were delighted to finish in **2nd place overall**. Well done girls!!

A special thank you to **Miss Colin** who offered to train the team and has worked hard with the girls to teach them how to play netball. Thank you also to **Mrs Smith** (Daisy's mum) who, as an experienced netball player, offered to come and help guide the girls at the tournament.

### 10 Top Tips for Parents and Educators: Creative Ways to Encourage Reading

With reading for pleasure in decline, this practical guide offers ten thoughtful ways to reignite children's enthusiasm for books. From valuing all forms of reading to broadening access to diverse materials, it explores how adults can nurture positive reading habits both at home and in school. Digital tools, audiobooks and augmented reality are also considered as engaging ways to support today's readers.

It also highlights the power of social connection – recommending books, reading together and meeting authors – alongside the importance of modelling reading ourselves. With expert insight from literacy specialist Carl Pattison, this edition provides supportive, achievable ideas to help young people reconnect with reading and see it as a meaningful part of everyday life.

# 10 Top Tips for Parents and Educators

## CREATIVE WAYS TO ENCOURAGE READING

Reading regularly has a life-long impact, yet recent data from the National Literacy Trust shows a decline in reading for pleasure among 8- to 18-year-olds, with just 32.7% enjoying it in 2025. Despite growing distractions, there are practical ways adults can spark a love of reading. This guide offers strategies and resources to help inspire young readers.

### 1 VALUE ALL READING

When we think about reading, it's very easy to picture a young person reading a fictional novel; however, reading is so much more than this. To help them understand, why not show them how to create a 24-hour reading diary? Jot down all reading and then discuss this with them. By doing this, you can demonstrate the many ways we turn to reading.

### 2 WIDEN THE SELECTION

Once we know reading can be varied, we need to think about the selection of reading material they can access. Visit a shop selling magazines, the library and a bookshop, and consider the range of material that is available within them. Then consider how you might broaden their reading choices, so all young people have access to a wide and varied selection.

### 3 GIFT A BOOK

One simple way to encourage reading is to make books feel special. Gifting a book adds value and shows it's something to be treasured. Whether it's as a reward or for a celebration like a birthday, let the young person choose a title or pick one you know they will enjoy. You could also include a personal note inside.

### 4 CONNECT WITH AUTHORS

Meeting authors can certainly spark an interest in their reading material. This might be through a live event in a school/bookshop or by using the wealth of online material that is now available. Encourage young people to look at ways to connect with authors using free resources such as Authorfy and Just Imagine's Children's Authors Live.

### 5 BUILD YOUR KNOWLEDGE

Access training about reading for pleasure to widen your understanding of this topic and, more importantly, how to develop it. Explore a wide range of free resources that can be found online. The more you know, the better placed you are to inspire a love of reading in others.

### 6 TALK BOOKS

There are times when we need silence to read and focus on our book; however, we know that reading is a social experience, so we must also factor in discussion time. Reading the same book gives two people a connection and the opportunity to voice their thoughts and questions about it. Why not buy two copies of a book and read it together? Start the connection.

### 7 RECOMMENDATIONS

As well as talking about the content of books, we can share what we are reading or have read recently. This can often act as a trigger for someone else to explore it. How often have you watched a film or series because someone else has recommended it? It's the same with books. If you know the young person well, you can tailor your recommendations and share why you think they'll enjoy it.

### 8 GO DIGITAL

With the rise in online digital material, we can easily focus on the negatives; however, it also brings a wealth of opportunities. Resources can aid and enhance the reading experience for young people. They can read along with audiobooks, translate, and track their reading goals with resources like PolyIno and apps like Goodreads for older children. Augmented reality books also bring books to life and offer a great way for engagement.

### 9 RECONNECT

There can come a time when a love of reading seems to disappear. It does not mean it's gone forever; it generally means they have lost the connection. How do we get it back? Find the next piece of reading material that sparks their current interests. The National Year of Reading focus of 'Go All In' captures this well as it is their key theme. As children grow and change, so do their interests. A visit to the local library is a great way to support the reconnection.

### 10 LEAD BY EXAMPLE

Let them see you reading. If you make time to read, you send a strong message to children: reading matters. Share why you enjoy it. Is it to relax, escape the world, learn something new or to be entertained? When children see reading as a normal and valued part of everyday life, they are more likely to adopt it themselves.

# Safeguarding

Governors and staff of St Ignatius share an objective to help keep children safe by:

- Providing a safe environment for them to learn
- Identifying children who are suffering or likely to suffer significant harm, and taking appropriate action.

Please read through the safeguarding guidance documents on this page, which include those designed for children. Please contact the Designated Safeguarding Leads below should you have any concerns about the safety or welfare of a child.

You can do this by calling the school directly, or emailing: [dsl@st-ignatius.surrey.sch.uk](mailto:dsl@st-ignatius.surrey.sch.uk)

You can also find out more about how we teach safety to children on our [Safety Curriculum](#) page, in the Curriculum section of the website.
