

'Achieving our best by learning together and serving one another with Christ by our side'

Years 3 & 4 ACAT Netball Tournament

Dear Parents / Carers,

As we come to the end of another week, we have so much to celebrate! On Tuesday, the Year 5 & 6 boys played in a football league match which they won 2-1. The boys remain unbeaten in their league matches this year!

Yesterday, the school took part in an interschool Year 3 & 4 netball tournament within ACAT and St Ignatius came first! Super proud of you all! We need to purchase a new cabinet to store and display all of the trophies that are being collected.

Science Week

This week was Science Week and the children had the opportunity to join a real scientist organised by Mr Newman. See his notice below for more details on the workshop.

The Place

Last week, I asked the children to decide what they would like to call the room that we currently call **'The Place'**. After collating both staff and pupil voice, we will be officially naming the room - **The Ignatius Learning Hub** (*where little flames flourish*).

DATES FOR YOUR DIARY

MONDAY 16TH MARCH

Neurodiversity Celebration Week

TUESDAY 17TH MARCH

KS2 Cross Country @ London Irish

WEDNESDAY 18TH MARCH

-

THURSDAY 19TH MARCH

Year 4 trip to Kew Gardens

FRIDAY 20TH MARCH

-

Year 2 Parent Assembly

Year 2 children produced an assembly of a very high standard this week with the focus on St Francis of Assisi and our Catholic Social Teaching Value- Care for Creation. The children spoke clearly, confidently and most importantly happily!

Attendance

I would like to thank you all once again for your real support within ensuring your child is in school as close to 8:30 am every day as possible. This week's attendance percentage was 96.4% which shows that this is improving. It is important to note though that any child after 9.15 am are marked as absent and this will affect overall attendance.

On Monday, I am visiting another school with our CEO Richard Burke to hear how they have improved their attendance. It is important that as a school we are outward looking to ensure continuous improvement for our children.

Family Fine Dining

One of the school governors visited this week to observe the Family Fine Dining experience. As part of this visit she spoke to staff and pupils. She has written an extremely positive report and shared with the rest of the governing body.

“One child spoke to me about his enjoyment of mixing more widely with others. The children were certainly engaged in conversation and eating well at the same time. The children were aware of the importance of good table manners. Another child mentioned that they particularly liked waiting for others to finish around you before leaving the table ensuring that no-one was left eating alone. Some shared their proud moments and talked about times of perseverance. Children were pleased that those with packed lunches sat with those eating school meals reinforcing an inclusive approach.”

MyChildAtSchool App

Further to the email sent earlier today, on Monday you will receive an email to register for the MyChildAtSchool app. I encourage you to sign up to this app as this will enable even greater efficiency for school and home.

I wish you all a lovely weekend, and to all mothers, and those whose actions reflect the love and care of a mother I wish you a wonderful Mother's Day.

I think fondly of my own mother on Mother's Day. She was a charismatic and very funny mum who we called 'our little lady'. A mother teaches you the values that you carry through life. Just some of the things that my mother instilled in us was to always be kind and if a job is worth doing, it is worth doing really well! She would have loved to have seen me in this role and I know she's looking down on all of us at St Ignatius with pride and joy. Her strong faith in life has continued through me.

God bless,

Ms Murphy - Headteacher

Safeguarding Notice

Further to the letter Ms Murphy emailed you last week regarding the schools 'Stay Put' procedure and intended practises of the drill. This week during our KS1 and KS2 assemblies we introduced the 'Stay Put' concept to the children in a calm, practical and reassuring way.

Children had the opportunity to have their questions answered and if they mention this at home please refer to Ms Murphy's letter sent home last week to guide your responses.

Mrs O'Neill - Deputy Headteacher and Designated Safeguarding Lead

Attendance

This week's **highest attendance** was **3BF** (99.4%) and **4AP** (98.9%). Our school target is now 98%.

The classes that have **most improved** in terms of number of pupils in classes before 8.45 am are **2C** and **3V**.

A huge thank you to all parents for a real push on attendance this week and for ensuring your child is in school for as close to 8.30 am as possible.

These four classes will be receiving a reward on Monday.

Ms Murphy - Headteacher

After School Clubs

Please take note of the following updates regarding our after-school clubs as we approach the end of the term:

- **Final Week of Clubs:** Next week will be the last week of all club sessions for the current term
- **No Clubs Week:** Please be aware that there will be **no clubs** during the week commencing **Monday, 23rd March with the exception of Spanish Amigos on Tuesday and Judo on Thursday**. Please ensure you have made the necessary arrangements for your child's collection at the end of the school day
- **Summer Term:** A letter will be sent out this coming Monday, 16th March with full details and booking information for our summer term clubs

Thank you for your continued support.

Miss McCormack - School Office

Workshops and Trips

Please see below a summary of the workshops and educational trips scheduled so far this year, along with their corresponding payment deadlines. We kindly ask that all payments are made by the stated deadlines to ensure that each event can go ahead as planned.

Workshops and Trips

- **Reception - Bocketts Farm Trip**
 - Date: 21st April 2026
 - Payment Deadline: 27th March 2026
- **Year 3 - Ancient Egyptians Workshop**
 - Date: 12th May 2026
 - Payment Date: 1st May 2026
- **Year 3 - Roald Dahl Museum**
 - Date: 2nd June 2026
 - Payment Date: 15th May 2026
- **Year 2 - Bracknell Lookout Trip**
 - Date: 5th June 2026
 - Payment Date: 15th May 2026
- **Year 1 - London Zoo**
 - Date: 1st July 2026
 - Payment Deadline: 19th June 2026
- **Current Year 5 - PGL Residential Trip**
 - Please refer to the previous letter for the full payment schedule.
 - 2nd Installment Due Date: 27th February 2026

Thank you for your continued support and cooperation.

Miss McCormack - School Office

Reception trip to Wisley Gardens

On Wednesday, the Reception children had a lovely day at Wisley Gardens. They learnt about the life cycle of a plant and had the opportunity to walk around the glass house, the woodland areas and the gardens. Most importantly, the sun shone!

**Miss Palmer and Miss Ritchie -
Reception Class Teachers**

Year 2 Parent Assembly

Year 2 Liturgy - St Francis of Assisi and our shared responsibility to care for God's creation.

The children in Year 2 took us on a journey through the life of St. Francis—from his early days as a wealthy young man in Italy to his transformative decision to live a life of simplicity, service, and love for all living things. They reminded us that 2026 marks a special **Jubilee Year**, celebrating 800 years since the saint's passing.

The highlight of the assembly was seeing how our pupils are putting Laudato Si' into action. The children shared their personal commitments to being "Guardians of God's Earth."

Thank you to all the parents who attended and to our Year 2 stars for reminding us that no act of kindness toward our planet is too small.

Remember St. Francis' advice: *"Start by doing what is necessary, then what is possible, and suddenly you are doing the impossible."*

Mrs Baldock and Miss Cade - Year 2 Class Teachers

Years 1-6 Science Boffins Workshops

It has been an action-packed Science Week, with our students exploring everything from the vastness of space to the physics of everyday life. We kicked off on Monday with a captivating live lesson from Horrible Science, where pupils investigated the properties of light and the mechanics of how we see the moon. This digital exploration continued for several classes through an insightful online session with Westminster Abbey, connecting historical breakthroughs with modern scientific understanding.

The excitement reached a high point on Wednesday when we welcomed Boffin Becky from the Science Boffins. Leading interactive workshops for Years 1 through 6, Becky used high-energy demonstrations to reveal the hidden science in our daily routines, sparking fantastic curiosity across all year groups.

As the celebrations continue, please note that our **Science Week Poster Competition** remains open for entries; we have already seen some wonderful creativity and look forward to receiving all final submissions before the deadline on **Wednesday 18th March 2026**. Answering the question: *"What makes children's lives positive? What will a positive childhood look like in the future for children your age?"*

Mr Newman - Year 6 Class Teacher and Science Lead

Years 5 & 6 Boys Football League

Congratulations to the Year 5 & 6 Boys Football Team who remain unbeaten in their league. On Tuesday, the boys beat Riverbridge 2-1. They played very well and displayed their impressive football skills.

Well done to **Jarrell N-O (6S)** and **Oliver W (5W)** who both scored. The boys also displayed excellent teamwork and sportsmanship throughout. Keep up your good work boys!

Miss Grady - Year 1 Class Teacher and PE Lead

Years 3 & 4 ACAT Netball Tournament

On Thursday a group of children from Year 3 & 4 travelled to Our Lady of the Rosary Primary School in Staines to take part in the very first ACAT Netball Tournament.

The Year 4 children won all of their matches and scored an impressive number of goals in windy conditions.

The Year 3 children won 2 of their games and were unlucky to lose their last game. Once all the scores were combined, St Ignatius was the overall winner.

A huge congratulations to all of the children who played. Many of the children have only just started playing netball and they learnt the rules very quickly.

Miss Grady - Year 1 Class Teacher and PE Lead

Opal Play

The following children have been awarded an OPAL play certificate during our Friday Celebration Assembly.

Golden Broom Award

- KS1 - Leo N
- KS2 - Sarah O

Golden Welly Award

- KS1 - Khoi B
- KS2 - Taran V

Miss Frew - Assistant Headteacher

Headteacher Awards

Each week our pupils are recognised for following our school values. This week's value was **Inclusive Inaya**. During our Celebration Assembly today the following children were awarded a Headteacher Award:

Reception:

- Hedgehogs - Roman B
- Badgers - Niam V

Year 1:

- 1OS - Joshua B
- 1G - Francesco C

Year 2:

- 2C - Flynn P-C
- 2BP - Jack D

Year 3:

- 3V - Philip E
- 3BF - Teddy E

Year 4:

- 4P - Gabriella F
- 4AP - Pari M

Year 5:

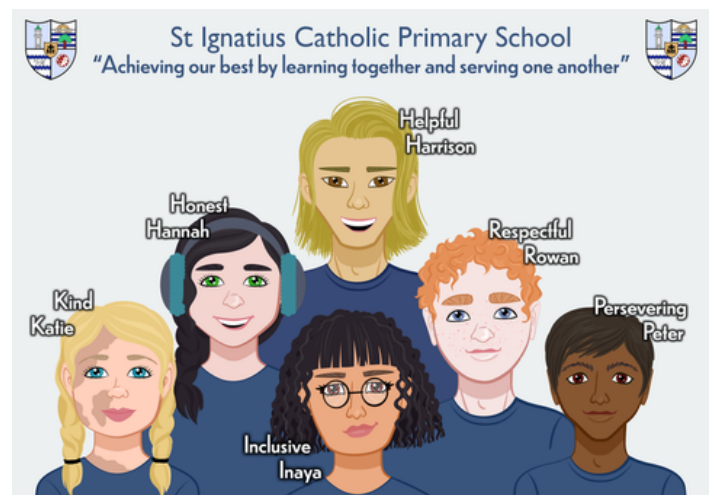

- 5W - Zofia S
- 5B - Kishan K

Year 6:

- 6N - Daniel G
- 6S - Tanveer B

I am so very proud of each and every one of you!

Ms Murphy - Headteacher

PE Notices

Years 5 & 6 Boys A Team Football

The following fixtures have been arranged:

- **Monday 13th April** (away vs Town Farm). Letter to be sent next week.
- **Thursday 16th April** - PSD Tournament (12.30-3.00pm) at Wraysbury Primary School. Letter to be sent next week.
- **Friday 24th April** (home vs Clarendon). Letter to be sent closer to the date.

Year 3 and 4 Hockey Tournament

We will play a mini tournament vs Laleham and Buckland Primary schools. I will share the date once I have it but it will be after Easter.

KS2 Cross Country

This competition will take place at London Irish on Tuesday 17th March. Letter sent via email.

Miss Grady - Year 1 Class Teacher and PE Lead

Wake Up Wednesdays

What Parents and Educators Need to Know about Streaming Services

Streaming services have become the go-to entertainment choice for many families, with children often favouring on-demand platforms over traditional television. This edition explores the realities behind these services, from rising subscription costs and advert-supported tiers to the impact of autoplay and endless content libraries on young viewers' screen time and wellbeing.

It also highlights key safeguarding concerns, including age-inappropriate material, binge watching, algorithm-driven recommendations and phishing scams. With clear, practical advice for setting profiles, PINs and time limits – alongside tips for discussing algorithms and stereotypes – this guide supports parents and educators in promoting safer, healthier streaming habits.

Miss Partington - Year 4 Class Teacher

What Parents & Educators Need to Know about STREAMING SERVICES

Streaming services are platforms that allow users to watch cartoons, documentaries and movies online immediately (often referred to as SVoD: streaming videos on demand). Ofcom reported that children and young adults prefer streaming services to traditional TV. With two-thirds of UK households subscribing to at least one streaming service, parents must understand how to manage screen time, set age restrictions and ensure safe viewing.

WHAT ARE THE RISKS?

COSTLY

Subscription services can be costly. As the main source of entertainment, most households have at least one streaming platform, and each platform has its own monthly subscription fee. Services are charging more for ad-free viewing, and better quality and resolution; however, there is a cheaper option with adverts. Due to price increases, Netflix and Disney+ reported a sharp increase in users subscribing to their ad-supported tier in 2023.

ILLEGAL STREAMING

Sharing passwords or using modified Fire Sticks to access streaming content without permission is illegal. Most streaming services have now put measures in place to detect account sharing. When account sharing is identified, platforms will offer an opportunity to pay for an added member or will ask the user to verify who they are.

AGE-INAPPROPRIATE CONTENT

Most streaming platforms allow users to set up a profile for each family member, with the option of putting specific restrictions in place. These include adding a profile lock or PIN, controlling autoplay of previews and next episodes, and limiting content based on age ratings. Nonetheless, these restrictions aren't foolproof. Content which is rated as suitable for an age group may still include themes, language, or images which children and families find inappropriate.

EXCESSIVE SCREEN TIME

Excessive screen time contributes to sedentary behaviour and can negatively impact physical and mental health. Ofcom found that 4- to 15-year-olds averaged 2.5 hours per day across all video-sharing platforms, not including gaming. The vast range of content available, combined with features such as autoplay, makes it easy for children to watch for extended periods of time.

BINGE WATCHING

Features such as autoplay make it easy for viewers – especially young people – to continue watching episodes without a break. This can foster unhealthy and addictive patterns, such as consuming a vast amount of content in one sitting. With binge watching came a lack of social interaction, lack of physical exercise, and often late nights and sleep disruptions which impact their mental and physical wellbeing.

HARMFUL STEREOTYPES

Many platforms track viewing habits, time consumed, and preferences, and generate recommendations to encourage your child to keep watching. This results in your child being in a 'loop' whereby they think the 'recommended' shows would be something they would enjoy rather than thinking critically for themselves. This can shape their beliefs, values, and understanding of the world from a young age without even realising it.

Advice for Parents & Educators

SET UP INDIVIDUAL PROFILES AND ADD PINS

Almost all streaming services allow users to set up individual profiles where each family member can have age restrictions put in place for the content they can view. Adult profiles can be protected through the use of PIN. Keep this private. Use the options of putting specific restrictions in place such as controlling autoplay of previews and next episodes, and limiting content based on age ratings.

MONITOR AND TALK OFTEN

Discuss with your child what they are watching, find out which programmes are trending, and watch them yourself. Have a little look at their watch history to check the content of what they're watching. Some platforms have been known to recommend or autoplay older or graphic content after a child's movie has been played. While some TV shows or movies may have a suitable age rating, your child may still find the content scary, or it may explore themes you don't want to explore with your child yet.

TALK ABOUT ALGORITHMS

Talk to your child about how streaming services track what they watch, and base adverts and recommended shows/movies on previous viewing. Encourage them to critically think about whether the recommendations are suitable and how they want to spend their time. Discuss stereotypes with your child and challenge them to think about what they watch and how this may influence their beliefs.

SET TIME RESTRICTIONS

Many streaming services offer the opportunity to buy movies, or add additional features to your subscription such as sports channels, as well as play games. This can increase the amount of time young people spend sitting idly in front of the screen. Some platforms (e.g. Apple TV+) allow you to set screen time restrictions. If the streaming service doesn't allow you to set screen time limits, set a family rule and stick to it.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator, and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government, comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

SUNBURY LIBRARY AND GATHERING PLACE 360

Gathering Place have created four VR360 'inspiration films' that will provide local residents (aged 9+) with an introduction to the layered history of the county through 4 archaeological sites: Runnymede Bridge (Bronze Age), St Mary's Priory, Ankerwycke (Medieval), Woking Palace (Tudor) and Witley and Milford Commons (World War I).

Watch the films on VR headsets, handle collections from Surrey County Archaeological Unit and respond creatively through a clay workshop

Grown-ups are required to stay with their children - if they want to participate they need to book a space for each of them

Saturday 18th April, Various time slots available

The event is free. You just need to book a slot on,
<https://madebykatiegreen.co.uk/performances/gathering-place-360>

Safeguarding

Governors and staff of St Ignatius share an objective to help keep children safe by:

- Providing a safe environment for them to learn
- Identifying children who are suffering or likely to suffer significant harm, and taking appropriate action.

Please read through the safeguarding guidance documents on this page, which include those designed for children. Please contact the Designated Safeguarding Leads below should you have any concerns about the safety or welfare of a child.

You can do this by calling the school directly, or emailing: dsl@st-ignatius.surrey.sch.uk

You can also find out more about how we teach safety to children on our [Safety Curriculum](#) page, in the Curriculum section of the website.

DESIGNATED SAFEGUARDING LEAD (DSL):

Mrs E O'Neill - Deputy Headteacher

DEPUTY DSL:

Ms H Murphy - Headteacher

Miss T Frew - Assistant Headteacher

Mrs I Barkworth - SENDCo

Mrs L Whittington - KS2 Lead

Miss Z Palmer - KS1 Lead

Any concerns can be discussed with a DSL. If you have any concerns that involve the Headteacher, please contact the **Ascension Catholic Academy Trust** via email at admin@ascensioncat.org or by telephone on 0208 325 4630. The LGB details are being updated.

You can read our **Child Protection and Safeguarding Policy** [here](#).
