16th March 2025

Dear Parents and Carers,

At St Ignatius, we aim to provide a wide range of enrichment activities for our children to enjoy. To book your place on the majority of after school activities, you will need to make payment online via **SCOPAY**.

Due to the high demand for places, all paid activities will be made available on **SCOPAY** on **Monday 23rd March 2026** from **4pm** to ensure everyone has the fairest chance possible of securing a place. **Due to the way in which after school activities are set up on SCOPAY, we are unable to give an exact time they will become available.**

Please ensure you have selected the correct activity, your child is able to attend and your child wants to participate in the activity, as **we are unable to issue any refunds.**

If payment is accepted, then your child has a place in the after school activity. Places will be given on a first come, first served basis.

There are a small number of spaces reserved for families eligible for **Pupil Premium** who **might struggle to meet the payment**. If you are eligible and feel you cannot meet the payment in full but would like your child to join the activity **contact the school via** pupilpremium@st-ignatius.surrey.sch.uk **INSTEAD of booking a space on SCOPAY.**

The majority of activities will begin on the week beginning **Monday 20th April 2026** and the final sessions will be on the week beginning **Monday 6th July 2026**. However, there may be some individual dates when an activity is not taking place. Please make sure to check the dates of each activity carefully.

Some of our after school activities are run by external providers with places and payments for these activities organised by the provider. Please use the booking link provided in the time table to book.

Please could you collect your child promptly from outside the school office at the end of the activity. **Just a reminder, you will not be able to drive into the school car park when collecting your child from after school activities.**

****Please note that children go straight from class to their club****
