Parent Consultation Letter – Primary Schools in England

Dear Parents and Carers,

In 2020, Relationships Education and Health Education became statutory for all primary schools in England. Then in July 2025 the Department for Education published new Guidance for teaching RSHE, implemented from September 2026.

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church.

'Achieving our best by learning together and serving one another with Christ by our side.'

The education of children in human sexuality is an important, precious and privileged responsibility. The Church teaches us that this is very much a partnership with parents, in which parents are the 'first educators' of their children on these matters; ultimately, you confer on us the right to co-educate your children with you.

To this end we will be consulting on both our RSE policy and our curriculum.

We have been researching various programmes that are available and have decided to adopt **Life to the Full** by Ten Ten Resources. Ten Ten Resources is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work. We already use this scheme and feel confident that it enables us to effectively deliver the requirements ready for September 2026.

Life to the Full has been approved by our diocese. Furthermore, Ten Ten Resources has entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the RHE statutory curriculum. Therefore, we are confident that this programme is a very good fit for our school.

Through their programme, Ten Ten Resources understand the foundational role that parents have in educating and nurturing their children on these matters. Within the programme, they have built in resources which will not only keep you informed about what is being taught in school, but will also give you the opportunity to engage your children in discussion, activity and prayer.

We would like to have your feedback on our approach, and particularly on the key decisions that we need to take regarding the teaching of certain topics. To this end, we have opened a consultation period during which we welcome your feedback.

Ten Ten Resources have provided an online **Parent Consultation Course**. This is a simple-to-follow, short online course which:

- Outlines the statutory changes that have taken place in England
- Articulates a vision for Catholic Relationships and Health Education.
- Explains how Life to the Full aims to help us fulfil the statutory curriculum with a Catholic ethos.

- Provides some information about key decisions we need to make, in consultation with parents.
- Answers some Frequently Asked Questions.

Ten Ten Resources have also provided an **Online Parent Portal** which will be a tool we can use throughout the year to keep you informed and updated about the work we are doing in school.

To take part in the consultation, please do the following:

- Access the Parent Consultation Course here:
www.tentenresources.co.uk/parent-consultation-primary
- You will need the following login credentials for our school:

You may also email **Mrs Vander Vloet** if you have any other queries for questions about the RSE curriculum.

You can respond through email to admin@st-ignatius.surrey.sch.uk.

We hope that our approach not only assures you about the new programme of resources we are going to use, but will be an important and exciting opportunity for our entire school community.

God bless,

Ms H Murphy
